SOUTH	Monday, Thursday	Wednesday
NORTH	Tuesday, Friday	Wednesday
• RECYCLING & YARDWASTE SEE PAGE 2 OF 2		

KEY RULES FOR USING HOUSEHOLD GARBAGE WHEELED CART

- Only place bagged household garbage inside the wheeled cart. This will keep the cart clean and control odors.
- NEVER put hot coals or ashes into the cart.
- DO NOT use cart for recycling, yardwaste, hazardous waste, bulky items, or appliances.
- Place your cart curbside prior to 7:00 AM on scheduled collection days or the night before.
- Place your cart so that the wheeled side is facing your property and away from the street.
- Close cart lid completely.
- DO NOT place anything on top of the cart lid.
- Allow three feet (3') of clearance on all sides of the cart when put out for collection.
- Remove cart from curbside after collection.
- The wheeled carts are the property of the City of Jacksonville Beach and are marked with the City logo.
  The wheeled cart is to remain at your residence if you move.

WHEN DO I DISPOSE OF BULKY ITEMS THAT DO NOT FIT INSIDE THE CART?

- Garbage too big, bulky or heavy to fit in the wheeled cart is considered a "Bulky Item." Bulky Items will be collected on Wednesdays ONLY.
- Bulky Items include furniture, large household trash, pallets, homeowner-generated remodeling debris, bicycles, lawn mowers, trimmers, mattresses, loose items in open boxes, toilets, carpeting, fencing, lumber, computers, and other electronic equipment.
- Bulky Items should be placed curbside and at least three feet (3') away from your household garbage wheeled cart, mailboxes, utility poles, trees, gas or water meters, fire hydrants, cars, sprinkler heads or anything collection equipment could damage, or come in contact with.
- DO NOT mix Bulky Items, Appliances and Yardwaste, or collection cannot take place. Also, one (1) car battery and up to four (4) tires per vehicle per year may be placed curbside for collection on Wednesdays, separated from other items to be collected.

HOW DO I DISPOSE OF MY HOUSEHOLD RECYCLABLES?

- Residents are to use the City delivered green recycling bins with the City logo for collection of recyclables. Recyclables are items such as paper, newspapers, magazines, aluminum, tin cans, glass, plastics #1 and plastics #2. These recyclables are to be co-mingled in the same recycling bin and will be separated when placed in the recycling truck.
- Call Public Works at 247-6219 if you need a recycling bin and it will be scheduled for delivery.
- The green recycling bins are the property of the City of Jacksonville Beach and are marked with the City logo. The recycling bin is to remain at your residence if you move.

HOW DO I DISPOSE OF MY YARDWASTE?

- You may use plastic bags or your old garbage can for collection of yard-waste. DO NOT use the wheeled cart for yardwaste.
- Place the yardwaste bags or can at the curb, at least three feet (3') away from household garbage wheeled carts, mailboxes, utility poles, trees, gas or water meters, fire hydrants, cars, sprinkler heads, or anything else the collection equipment could damage or come in contact with.
- Tree limbs must be cut into pieces less than five feet (5') in length, be no larger than six inches (6") in diameter, and weigh less than 40 pounds before they are placed at the curb for pick up.
- Trees cut down by contractors will not be collected and must be removed by the contractors. The City encourages residents to compost or mulch leaves and grass clippings at your home for a healthier landscape.

WHEN DO I DISPOSE OF APPLIANCES?

- Appliances will be collected on Wednesdays ONLY, separately from bulky items. Appliance pickup must be scheduled.
- Call Public Works at 247-6219 before noon on Tuesday to be placed on the following day's Appliance Pickup List.
- Appliances include such items as hot water heaters, microwave ovens, stoves, refrigerators, washers, dryers, freezers, and other large appliances.
- Place appliances curbside and at least three feet (3') away from your household garbage wheeled cart, bulky items for collection, mailboxes, utility poles, trees, gas or water meters, fire hydrants, cars, sprinkler heads or anything collection equipment could damage, or come in contact with.
- DO NOT mix Appliances, Bulky Items and Yardwaste, or collection cannot take place.
