THE ADVENTURE BEGINS!

Join Session XLIV of the Citizen Police Academy to find answers to common questions about law enforcement.

You may also ask . . . why should I spend my free time listening to cops talking about their jobs? That's a fair question. Here's just a small sample of the many benefits you will receive from attending the Citizen Police Academy (CPA):

- Classy-looking golf shirt with the CPA logo;
- Notebook explaining police lingo, various laws, real crime reports, etc.;
- In-depth examination of a real-life homicide;
- Hands-on crime scene processing with our own C.S.I. expert;
- Ride in the front seat of a police car (prisoners ride in back!);
- Shoot a police officer's gun at the firearms range;
- Up-close look at a SWAT Team in operation;
- Free snacks each week.

When you attend the Jacksonville Beach Citizen Police Academy, you step into the real world of 21st century policing. A hint . . . it's not what you see in the media! We open the doors and shine a light on every aspect of the police department. On April 2nd, the only question you will have left is, **"What will I do with my Thursday nights now that the academy is over!?"**
