In reviewing an application for a site specific comprehensive plan amendment, the Planning Commission and City Council are required to consider the following items, in addition to the relationship to and consistency of the proposed change with the intent of the comprehensive plan. Attach a narrative statement outlining the relationship of the proposed amendment to the applicable factors:

1. Changed projections in the Comprehensive Plan that affect the boundaries of the Future Land Use Map;
2. Changed assumptions, including but not limited to the fact that growth in the area, in terms of the development of vacant land, new development, and the availability of public services has altered the character such that the amendment is now reasonable and consistent with the land use characteristics;
3. Data errors, including errors in mapping, vegetative types and natural forms in the Comprehensive Plan.
4. New issues that have arisen since the adoption of the Comprehensive Plan;
5. Recognition of a need for additional detail or comprehensiveness in the Comprehensive Plan; and
6. Data updates.
