Section 34-231 STANDARDS APPLICABLE TO ALL CONDITIONAL USES

When considering an application for development permit for a conditional use, the planning commission shall consider whether and the extent to which:

- (a) The conditional use is consistent with the goals, objectives and policies of the comprehensive plan, including standards for building and structural intensities and densities, and intensities of use;
- (b) The conditional use is consistent with the character of the immediate vicinity of the land proposed for development, and designed so that it is consistent with the harmonious development of the zoning district in which it is proposed;
- (c) The design of the proposed conditional use minimizes adverse effects, including visual impact, of the proposed use on adjacent properties, and provides adequate screening and buffering;
- (d) The proposed conditional use will have an adverse effect on the permitted uses of the zoning district where it is located;
- (e) The proposed conditional use will have an adverse effect on the value of adjacent property;
- (f) There are adequate public facilities and services pursuant to Article X, Adequate Public Facility Standards;
- (g) The proposed conditional use will require signs or exterior lighting, which will cause glare or adversely impact area traffic safety;
- (h) There is adequate ingress and egress to the proposed conditional use, and it is designed so as to minimize traffic congestion on the city's roads;
- (i) The proposed conditional use is consistent with the requirements of the LDC;
- (j) The applicant has the financial and technical capacity to complete the conditional use as proposed, and has made adequate legal provision to guarantee the provision of open space and other improvements associated with the proposed conditional use;
- (k) The proposed conditional use complies with all additional standards imposed on it by the particular provision of the comprehensive plan authorizing such use and all other applicable requirement of the LDC.
