MAYOR AND CITY COUNCIL

CITY CLERK

CITY MANAGER

- (a) **Item #18-013 – Consider removing the street barricade at 16th Avenue North and 1st Street.**

Motion: It was moved by Ms. Wilson and seconded by Ms. Hoffman, that based on the citizen responses, leave the barricade in place at 1st Street and 16th Avenue North.

Discussion: Mayor Latham explained there was an overwhelming response in opposition to removing the barricade.

Motion to Remove: It was moved by Mayor Latham to terminate the discussion. There was no second to the motion.

Speakers:

The following individuals spoke in opposition to removing the barricade:

- Lyle Reimann, 91 19th Avenue North, Jacksonville Beach
- Beth Acheson, 1824 1st Street North, Jacksonville Beach
- Frederick Smolen, 104 17th Avenue North, Jacksonville Beach

- Larry Walter, 1901 1st Street North, Jacksonville Beach
- James Coleman, 228 18th Avenue North, Jacksonville Beach

Discussion: Mr. Buck, Mr. Vogelsang, and Ms. Hoffman stated their support towards moving forward with the beautification of the barricade.

Roll call vote: Ayes – Buck, Hoffman, Thomason, Vogelsang, Wilson,
and Mayor Latham.
The motion passed unanimously.

- (b) **Item #18-014 – Authorize Water Main Upgrade for Increased Fire Flow for Seascape Condominiums (16th Avenue South - Ocean Drive) with G&H Construction, Inc.**

Motion: It was moved by Ms. Wilson and seconded by Ms. Hoffman, to authorize the construction of an 8-inch PVC Water Main loop to

improve fire flow to Seascope Condominiums by change order to our contract with G & H Construction, Incorporated, titled "Bid 1617-03, Miscellaneous Water Main Improvements – Phase D Project," in the amount of \$69,405.70 plus a 10% contingency, for a total cost not to exceed \$76,346.27, as described in the memorandum from the Public Works Director dated January 19, 2018.

Discussion: Mr. Forbes stated that in April 2017, the Fire Marshal notified Public Works that Seascope Condominiums had failed its annual fire pump test. After reviewing the water infrastructure in the area, Public Works staff realized that the existing water mains that served the condominium consist of heavily tuberculated, old cast iron piping. To improve water volume for fire flow to the condominium, it was determined necessary to design and install a new 8-inch PVC water main loop.

Fire Marshal Steven Sciotto said the Seascope Condominium would need to change their main service line at their own expense to bring the project to completion.

Robin Smith, Public Works, stated there would be parts of the street that close while the work is performed.

Roll call vote: Ayes – Hoffman, Thomason, Vogelsang, Wilson, Buck, and Mayor Latham.
The motion passed unanimously.

(c) Item #18-015 – Award Bid Number 1718-03 Fiber Optic Cable – Sampson to Ft. Diego for Beaches Energy Services (BES) Guana Substation Expansion.

Motion: It was moved by Ms. Wilson and seconded by Ms. Hoffman, to award Bid 1718-03 – Fiber Optic Cable – Sampson to Ft. Diego to the lowest responsive bidder, *Gresco*.

Discussion: Mr. Forbes explained the communications schemes between electric utility substations provide for enhanced protection and control capabilities. As part of Beaches Energy Guana substation expansion, high-speed microprocessor protective relays have been incorporated into the relaying design scheme for the transmission lines connecting Guana substation to the Sampson substation and Ft. Diego substation.

Director of Beaches Energy, Allen Putnam, reiterated the approval of this agenda item allows for the purchase of fiber optic material only. The installation would be awarded to a different contractor.

Roll call vote: Ayes – Thomason, Vogelsang, Wilson, Buck, Hoffman, and Mayor Latham.
The motion passed unanimously.

(d) Item #18-016 – Award Bid Number 1718-06 to the lowest responsive bidder, Playspace Services, for the construction of the splash pad expansion at South Beach Park.

Motion: It was moved by Ms. Wilson and seconded by Ms. Hoffman, to approve the purchase of splash pad water features and operating equipment, and award Bid Number 1718-06 to the lowest responsive bidder, Playspace Services, for the construction of the splash pad expansion at South Beach Park, as described in the memorandum from the Director of Parks and Recreation dated January 24th, 2018.

Discussion: Mr. Forbes explained that due to the relatively high flow rate, it becomes difficult for the younger children, particularly toddlers, to enjoy as much of the water feature. Approved for funding by the Community Redevelopment Agency, the design includes four (4) water features and an access gate that would separate the two splash pads.

Ms. Hoffman, Ms. Wilson, Mr. Vogelsang, and Mayor Latham stated their support for the expansion of South Beach Park.

Roll call vote: Ayes – Vogelsang, Wilson, Buck, Hoffman, Thomason, and Mayor Latham.
The motion passed unanimously.

RESOLUTIONS:

(a) Item #18-017 – RESOLUTION NO. 2002-2018

Mayor Latham requested that the City Clerk read Resolution No. 2002-2018, by title only, whereupon Ms. Scott read the following:

“A RESOLUTION OF THE CITY OF JACKSONVILLE BEACH PROVIDING CONDITIONAL AUTHORIZATION TO COMMIT FINANCIALLY TO A SPECIFIED PORTION OF THE SOLAR ENERGY ACQUIRED BY THE FLORIDA MUNICIPAL POWER AGENCY IN THE EVENT FLORIDA MUNICIPAL POWER AGENCY ACQUIRES SUCH SOLAR ENERGY; PROVIDING CONDITIONAL AUTHORIZATION TO COMMIT TO BEING BOUND BY SECTION [X] OF RATE SCHEDULE B-1 OF THE ALL-REQUIREMENTS POWER SUPPLY CONTRACT; DESIGNATING AUTHORIZED OFFICERS; APPROVING AND TAKING CERTAIN OTHER ACTIONS; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.”

Motion: It was moved by Ms. Wilson and seconded by Ms. Hoffman, to adopt Resolution 2002-2018 to authorize the City of Jacksonville Beach’s Community Solar Power Purchase Agreement.

Discussion: Mr. Forbes said the FMPA is entering into a Power Purchase Agreement with a third-party solar generating utility to supply solar power to participating FMPA members. The price per MWh will be determined in the Purchase Agreement and will not change over the life of the contract. We anticipate it will be a 20-30 year contract at less than \$38 per MWh. If the proposed cost is greater than \$38 per MWh, Beaches Energy reserves the option of withdrawing from the project without penalty.

In order to finalize the contract, FMPA has requested that the commitment be memorialized in a Resolution. The Resolution binds the City to a share of no more than 10 megawatts provided the dollar per megawatt share does not exceed \$38/MW hour. The Resolution also authorizes the Mayor and City Manager to execute the FMPA-All-Requirements Project (ARP) Solar Project Participation Agreement and other related documents.

Mayor Latham stated his support for the agenda item.

Roll call vote: Ayes – Wilson, Buck, Hoffman, Thomason, Vogelsang, and Mayor Latham.
The motion passed unanimously.

(b) Item #18-018 – RESOLUTION NO. 2003-2018

Mayor Latham requested that the City Clerk read Resolution No. 2003-2018, by title only, whereupon Ms. Scott read the following:

“A RESOLUTION REVISING ELECTRIC RATES FOR BEACHES ENERGY SERVICES.”

Motion: It was moved by Ms. Wilson and seconded by Ms. Hoffman, to adopt Resolution No. 2003-2018 revising electric rates for Beaches Energy Services.

Discussion: Mr. Forbes said the proposed increase in the non-fuel portion of the energy rate by \$1.00 per thousand kilowatt-hours would offset the increase in operating costs and planned capital improvements. This would allow the City to reduce the bulk power cost adjustment by \$4.00 per thousand kilowatt-hours, which will equate to a net dollar decrease of \$3.00 per 1,000-kilowatt hours. This represents an average decrease of \$288 annually per residential customer, and much more for commercial customers, depending upon their usage.

Ms. Wilson stated her support for the agenda item.

Roll call vote: Ayes – Buck, Hoffman, Thomason, Vogelsang, Wilson, and Mayor Latham.
The motion passed unanimously.

ORDINANCES:

(a) Item #18-019 - ORDINANCE NO. 2018-8103 (First Reading)(Public Hearing)

Mayor Latham requested that the City Clerk read Ordinance No. 2018-8103, by title only, whereupon Ms. Scott read the following:

“AN ORDINANCE TO AMEND AN ORDINANCE ENACTING AND ESTABLISHING A COMPREHENSIVE LAND DEVELOPMENT REGULATION AND OFFICIAL ZONING MAP FOR THE INCORPORATED AREA OF THE CITY OF JACKSONVILLE BEACH,

FLORIDA, AS AUTHORIZED BY CHAPTER 163.3202, FLORIDA STATUTES, BY AMENDING ARTICLE VII, DIVISION 2. SECTION 34-347. REDEVELOPMENT DISTRICT: RD TO AFFIRM AND STATE THAT ARTICLE VI, DIVISION 3. ZONING ATLAS AND TEXT AMENDMENTS REGULATIONS ARE APPLICABLE TO THE REVIEW AND APPROVAL OF APPLICATIONS FOR REDEVELOPMENT DISTRICT: RD ZONING DESIGNATION, AND PROVIDING FOR CODIFICATION, SEVERABILITY, CONFLICTS, AND AN EFFECTIVE DATE. (Requires rezonings to RD be approved or denied based on the same standards as other rezoning requests.)”

Motion: It was moved by Ms. Wilson and seconded by Ms. Hoffman, to adopt City Ordinance 2018-8103, amending the text of the Land Development Code Section 34-347, to reference Article VI, Division 3, “*Zoning Atlas and Code Amendments*” regulations as being applicable standards for processing *Redevelopment District: RD* rezoning applications.

Summary: Mr. Forbes said it has historically and consistently been the interpretation of staff that because a request for *RD* zoning designation is at its core a rezoning request, changing the zoning designation from a parcel’s current zoning designation should be reviewed and approved or deny based on the same standards as are all rezoning requests.

Mayor Latham opened the Public Hearing.

Speakers:

- Cynthia K. Trimmer, 1 Independent Drive, #1200, Jacksonville, present on behalf of attorney, Steven Diebenow, requested the Council deny the amendment as proposed.

Mayor Latham closed the Public Hearing.

Discussion: City Attorney, Susan Erdelyi, recommended not changing the City’s historical interpretation of the *RD* zoning procedures.

Roll call vote: Ayes – Hoffman, Thomason, Vogelsang, Wilson, Buck, and Mayor Latham.
The motion passed unanimously.

(b) Item #18-020 - ORDINANCE NO. 2018-8102 (First Reading) (Public Hearing)

Mayor Latham requested that the City Clerk read Ordinance No. 2018-8102, by title only, whereupon Ms. Scott read the following:

“AN ORDINANCE TO AMEND PLANNED UNIT DEVELOPMENT ORDINANCE NUMBER 2011-8001, AS AMENDED BY ORDINANCE NO. 2017-8086, SUPPLEMENTING THE COMPREHENSIVE ZONING REGULATIONS AND ZONING ATLAS FOR THE CITY OF

JACKSONVILLE BEACH, FLORIDA, AS PROVIDED UNDER CHAPTER 34 OF THE CODE OF ORDINANCES OF SAID CITY. (Updated proposed site plan for the Baptist Medical Center-Beaches.)”

Mayor Latham read the following:

“This ordinance to amend the PUD zoning regulations of a property that is before this Council for a public hearing and consideration on its first reading. Under the laws of the State of Florida, an application to amend the zoning regulations governing a property is handled as a ‘quasi-judicial’ proceeding. A quasi-judicial proceeding means that a governing body is now functioning in a manner similar to a court with the Mayor and Council sitting as impartial decision makers hearing testimony and questioning presenters, who are to provide substantial and competent evidence to support their side of the issue. It is the duty of the Council to arrive at sound decisions regarding the use of property within the City. This includes receiving citizen input regarding the proposed use on the neighborhood, especially where the input is fact-based and not a simple expression of opinion.

It is the applicant’s burden to demonstrate that their application is consistent with the Land Development Code and the Comprehensive Plan. If the applicant is successful in showing consistency, then it is up to the local government to produce competent, substantial evidence of record that the application should be denied. The Council’s decision on a zoning amendment application is based on the criteria set forth in Section 34-211 of the Land Development Code. Each member of the Council has been provided a copy of the criteria.

In addition, the Council has received a copy of the application, and the staff and Planning Commission reports on this PUD zoning amendment request.”

Public Hearing

Mayor Latham opened the public hearing on Ordinance No. 2018-8102 and asked for the spokesperson of the applicant to address the City Council.

Speakers

- Paul Harden, 501 Riverside Avenue, representing Baptist Medical Center Beaches, was present to answer any questions.

Mayor Latham closed the Public Hearing.

Ex-Parte Communications

Mayor Latham read the following statement for the record:

“Before requesting a motion on this ordinance, beginning with myself, each of the members is requested to indicate for the record both the names of persons and the substance of any ex parte communications regarding this application. An ex parte communication refers to any meeting or discussion with a person or citizen who may have an interest in this decision, which occurred outside of the public hearing process.”

There were no ex-parte communications from the City Council.

Motion: It was moved by Ms. Wilson and seconded by Ms. Hoffman, to adopt Ordinance No. 2018-8102, amending Planned Unit Development: PUD Ordinance (Ordinance 2011-8001), as amended, by revising the approved Preliminary PUD Development Plan to provide updated proposed building footprints for the hospital campus.

Discussion: Mayor Latham read the following statement for the record:
“Before opening the floor for discussion or questions by the Council, please be reminded that our decision will be based on the criteria set forth in the Land Development Code, and the Council is required to approve a clear statement of specific findings of fact stating the basis upon which such facts were determined and the decision was made.”

Summary: Mr. Forbes reviewed the applicant’s proposal to modify the existing PUD ordinance governing the campus as follows:

- Converts the proposed five-story parking garage located between Medical Office Building B and Medical Office Building C to a new Medical Office Building (D), not to exceed 65,000 square feet.
- Relocate/redesign the currently approved parking garage to a maximum 35’ height structure to be oriented along Roberts Drive as shown on the proposed Preliminary PUD Development Plan, providing a minimum 10’ garage and/or surface-parking setback along Roberts Drive. All other structures will require a 20’ setback.
- Provide an additional 27,000 square feet of support and ancillary space to the main hospital building.
- Provide for a maximum building area on Parcel B of 12,000 square feet, and on Parcel C (across Roberts Drive) a maximum building area of 60,000 square feet, with both facilities limited to a maximum 35’ height.

The most significant element of the proposed development is the replacement of the five-story parking garage building with a medical office building and moving the garage location to the west along the Roberts Drive frontage of the campus.

Director of Planning and Development, Bill Mann, explained how the modifications would help minimize the impact of the surrounding residential area.

Mr. Forbes requested changing the building height of 60-feet in the exhibit to 55-feet in order to comply with the height restriction referendum.

1. Exhibit A, Page 2, final bullet to read:
 - A 55-foot tall, five-story parking garage located between Medical Office Building “C” and Medical Office Building “B.” Currently these development rights are unused on the property.
2. Exhibit A, Page 3, second bullet to read:
 - A medical office building containing up to 65,000 square feet of non-ancillary medical, business and/or professional offices serving

affiliated/community physicians and professionals. The new building, as shown in Preliminary Development Plan, will be in the general location of the proposed fifty-five (55) foot tall parking garage as shown on the Preliminary Development Plan attached to Ordinance 2017-8086.

3. Exhibit A, Page 5, '*Height:*' line one to read:
"Medical office building "D" shall not exceed fifty-five (55) feet in height."

Motion to Amend: It was moved by Mr. Vogelsang, seconded by Ms. Hoffman, to amend the original motion to include the 55' to the exhibit.

Mr. Harden requested the height of the medical office building be decided at a later date.

Ms. Erdelyi stated that were the City to approve a 60-foot office building height at this time, the City would be in violation from the City Charter.

Ms. Erdelyi recommended the Council agree to fifty-five (55) feet or deny the ordinance.

Roll call vote: Ayes – Thomason, Vogelsang, Wilson, Buck, Hoffman, and Mayor Latham.
The motion passed unanimously.

(c) Item #18-021 - ORDINANCE NO. 2018-8104 (First Reading)(Public Hearing)

Mayor Latham requested that the City Clerk read Ordinance No. 2018-8104, by title only, whereupon Ms. Scott read the following:

"AN ORDINANCE TO AMEND AN ORDINANCE ENACTING AND ESTABLISHING A COMPREHENSIVE LAND DEVELOPMENT REGULATION AND OFFICIAL ZONING MAP FOR THE INCORPORATED AREA OF THE CITY OF JACKSONVILLE BEACH, FLORIDA, AS AUTHORIZED BY CHAPTER 163.3202, FLORIDA STATUTES, BY AMENDING ARTICLE IV. DEFINITIONS TO ADD DEFINITIONS FOR "MEDICAL MARIJUANA TREATMENT CENTER", "MEDICAL MARIJUANA TREATMENT CENTER DISPENSING FACILITY" AND "PHARMACY", BY AMENDING ARTICLE VIII, SECTION 34-343 TO ADD "MEDICAL MARIJUANA TREATMENT CENTER DISPENSING FACILITY" AND "PHARMACY" TO THE LIST OF PERMITTED USES IN THE COMMERCIAL GENERAL: C-2 ZONING DISTRICT, BY AMENDING SECTIONS 34-342 AND 34-345 TO ADD "MEDICAL MARIJUANA TREATMENT CENTER DISPENSING FACILITY" AND "PHARMACY" TO THE LIST OF CONDITIONAL USES IN COMMERCIAL LIMITED: C-1 AND CENTRAL BUSINESS DISTRICT: CBD ZONING DISTRICTS, BY AMENDING ARTICLE VIII SUPPLEMENTAL STANDARDS, DIVISION 2, TO CREATE A NEW

SECTION 34-408 MEDICAL MARIJUANA TREATMENT CENTER DISPENSING FACILITIES AND PHARMACIES FOR THE INCORPORATED AREA OF THE CITY, AND PROVIDING FOR CODIFICATION, SEVERABILITY, CONFLICTS, AND AN EFFECTIVE DATE.”

Motion: It was moved by Ms. Wilson and seconded by Ms. Hoffman, to adopt Ordinance No. 2018-8104, amending the text of the Land Development Code by adding new definitions, and permitting and regulatory language regarding Medical Marijuana Treatment Center Dispensing Facilities and Pharmacies.

Summary: Mr. Forbes stated the proposed ordinance would include hours of operation limitations (may not operate between 9:00 pm and 7:00 am), and proximity requirements (cannot be located within 500 feet from another dispensing facility, or public or private school) that are consistent with Florida Statutes.

Mayor Latham opened the Public Hearing.

Speakers:

- Shandy Thompson, 522 3rd Avenue South, Jacksonville Beach, spoke in favor of the agenda item.

Mayor Latham closed the Public Hearing.

Discussion: Mr. Thomason asked what would happen if a facility was approved and then subsequently someone would like to open a school within 500 feet.

Ms. Erdelyi responded the school could not open, as state law speaks to the 500-foot rule.

To answer Mayor Latham’s inquiry regarding hours of operation, Mr. Mann stated pharmacies may determine their own hours of operation within the set limitations.

Roll call vote: Ayes – Vogelsang, Wilson, Buck, Hoffman, Thomason, and Mayor Latham.

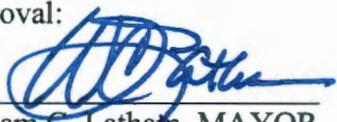

The motion passed unanimously.

ADJOURNMENT:

There being no further business, the meeting adjourned at 8:45 P.M.

Submitted by: Laurie Scott
City Clerk

Approval:

William C. Latham, MAYOR
