

City of Jacksonville Beach & Stearns Weaver Miller

PUBLIC WORKSHOP ON SEA LEVEL RISE AND OTHER FLOOD RISKS

JACKSONVILLE BEACH
CITY HALL
COUNCIL CHAMBERS

Thursday, December
19, 2019

5:30 – 7:30 PM

PUBLIC WORKSHOP

Consultants to the City of Jacksonville Beach along with City Staff will conduct a workshop on a State grant awarded to the City of Jacksonville Beach to study flood risks and to develop flood mitigation strategies. The workshop will:

- Review State grant requirements
- Review impacts of sea level rise, spring tide and storm surge modeling for Jacksonville Beach
- Discuss potential policy implications and mitigation strategies for reducing future flood risks and impacts.

YOUR FEEDBACK IS IMPORTANT
