

## CONSTRUCTION PROJECT INFORMATION FLYER CITY OF JACKSONVILLE BEACH

### **Project Goal: South Beach Parkway Roadway Improvements Project**

Improve traffic flow from South Beach Parkway onto J. Turner Butler Blvd. and Jacksonville Drive by adding an additional turn lane and related traffic signal.

#### **Project Improvements**

A.W.A. crews will be furnishing & installing the following items:

- A dedicated right hand turn lane only off of South Beach Parkway onto Jacksonville Dr. as your as you travel in a southerly direction..
- A dedicated right hand turn lane only off of South Beach Parkway onto Sanctuary Parkway as your as you travel in a southerly direction.
- Reconstructing the intersection of Ocean Terrace Dr. & South Beach Parkway and installing a new concrete median in the middle of the west entrance into the South Beach Regional Shopping Center..which will eliminate vehicular traffic from turning left (southerly) onto South Beach Parkway.
- Milling, resurfacing & restriping South Beach Parkway from Jacksonville Drive to Marsh Landing Parkway.
- Milling, resurfacing & restriping Sanctuary Blvd.. from South Beach Parkway to just west of Palm Way.
- Reconstructing the entrance on Jacksonville Drive to Marsh Landing Parkway.

If you have landscape plants, trees, brushes, landscape timber, landscape blocks and/or other landscape type materials in the city right-of-way that you wish to save, we request that you remove them or relocate them on your property.

#### **PROJECT APPROVED:**

By the City Council on December 7, 2015.

#### **Questions concerning the project:**

Please contact:

**Construction Project Mgr.:**Dennis Dupries

Phone: 509-0268 (C) or 247-6286 (O)

Email address: [ddupries@jaxbchfl.net](mailto:ddupries@jaxbchfl.net)

#### **Project Contractor**

**A.W.A. Contracting Company, Inc.**

Normal Work Hour #: (904)262-4157(Office)

After Hours Numbers:

1st: Artie Allen (904)545-4617 (Cell)

2nd: Ben Allen (904)386-4294 (Cell)

3rd: Wendy Wendler (505)514-5797(Cell)

#### **Project Schedule**

Project Start Date: April 4, 2016

Project Completion Date: October 11, 2016

**Project Overview:** During the construction phase, the Contractor will make every effort to provide access to the businesses during the day. There may be times when the driveways to businesses may be inaccessible, but our intent is to minimize any inconveniences to the local businesses during this project phase and we ask for your patience as this project progresses. At the end of each weekday, the excavation areas will be backfilled and compacted and all business driveways should be accessible. The contractor will be video taping the entire project area prior to starting the construction in order to verify the existing conditions. The contractor will also be contacting property owners to identify any irrigation systems located within the construction areas. Any irrigation systems damaged by construction will be repaired by the contractor at no cost to the property owner. If you have any questions or concerns, please contact Mr. Dennis Dupries (Construction Project Manager).

### **STORMWATER UTILITY FRIENDLY REMINDER**

Everyone can help reduce environmental contamination by calling the Public Works Streets Division at 247-6211 and reporting:

- Cave-ins, unusual amounts of standing water, clogged drainage inlets, etc.
- Anyone disposing lawn clippings, paint, oil, gasoline, or any fluids or other items into the drainage system.

**THANK YOU FOR YOUR PATIENCE**
