

NOTICE OF PUBLIC OPEN HOUSE

The City of Jacksonville Beach invites you to a design presentation of the 90% plans for the Downtown South Infrastructure Redevelopment Phase 3C.

The project includes replacing the existing water and sewer systems, new storm drainage, curb & gutter, paving alleyways, additional parking and sidewalks, and reconstructing roadways & sidewalks in the portion of the Downtown Community Redevelopment District designated as Phase 3C Projects 4 & 5 of the Downtown Redevelopment Capital Improvement Plan.

City Staff and representatives from the Engineering Consultants will be available to discuss the plans, answer questions, and take comments.

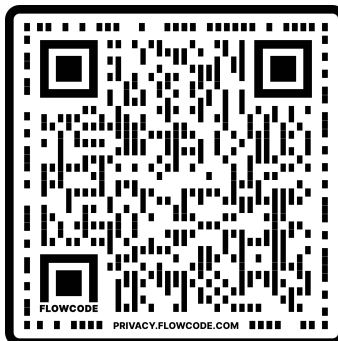

Date: **October 12, 2022**

Time: **5:00 PM to 7:00 PM**

- ***Brief Presentation at 5:30***

Location: **Exhibition Hall - Parks & Recreation
2508 South Beach Parkway
Jacksonville Beach, FL 32250**

Project details and the 90% design plans may be viewed online by visiting this link: <https://bit.ly/cradowntownprojects> or scanning this QR code.
