Road Construction

(Posted on 12/21/2018)

Petticoat Schmitt Civil Contractors, Inc. (PSCCI) is under contract with the City of Jacksonville Beach to complete the “Downtown Redevelopment, Phase IIIC, Project 2 - Infrastructure Improvements” (#1617-05) project. This project consists of various water, sewer, drainage, and roadway improvements, a portion of which crosses A1A.

Beginning on Monday, January 7, 2019 and continuing until approximately Monday, February 11, 2019, PSCCI crews will be installing a new 60” RCP storm-water pipe across A1A at 12th Ave. South. In order to complete this work as quickly as possible, PSCCI will have two crews working 10 hour shifts, Monday through Saturday (with the exception of Federal holidays). The work hours will be from 8:00 AM until 4:00 AM the next day. During this time, lane closures and lane shifts will take place within A1A between 11th & 13th Avenues South. We intend to have at least one lane, in each direction remain open at all times. For businesses in this area, at least one driveway will remain open at all times.

We apologize for any inconvenience that you may suffer and will do our best to move as quickly as possible. The work is set to begin on:

Monday, January 7th, 2019
