City Manager

George D. Forbes
21 Years

The City of Jacksonville Beach operates under a Council-Manager form of government, the most common form of government for small cities in the United States. It is designed to operate like a corporation: the City Council acting as the Board of Directors and the City Manager as the Chief Operating Officer.

The City Manager, George D. Forbes, as the Chief Operating Officer of the city, is charged with carrying out the policies made by Council and managing the day-to-day operations of the city. He prepares the annual budget for council approval and hires city employees.

Jacksonville Beach City Manager George D. Forbes is the City's longest serving city manager in its history dating back to our first City Manager in 1937. Mr. Forbes has dedicated his adult life to public service and has nearly 40 years of public service. On March 13, 2016, Mr. Forbes will complete his 21st year as our city manager. Congratulations Mr. Forbes on your achievement.

Chief of Police

This annual report for calendar year 2015 documents activities and efforts by employees of the Jacksonville Beach Police Department to accomplish the department's mission, "Working with Citizens for a Safe Community."

The police department is a nationally-accredited, full-service agency employing 100 personnel; including 65 full-time police officers and 35 civilian employees. The department has three divisions: Patrol, Detective, and Services.

Police officers assigned to the Patrol Division respond to citizen calls for service and also take proactive steps to prevent crime and capture lawbreakers. They conduct the initial investigation of crimes, write reports, investigate traffic crashes, and issue citations. They try to prevent crimes utilizing patrol efforts by vehicle and on foot, creating a visible law enforcement presence.

Members of the Detective Division conduct follow-up investigations of crimes. General Investigations Team detectives investigate crimes such as homicide, robbery, burglary, theft, etc. Community Response Team detectives primarily investigate vice, narcotics, and quality of life crimes. Members of both teams are drawn from the ranks of patrol officers and receive specialized investigative training to handle the more serious crimes reported to the police department.

Employees assigned to the Services Division provide support services such as radio communications, records keeping, property and evidence maintenance, animal control, school crossing protection for children, and training for employees, among others.

The goal of every employee of the police department is to help create a safe community for every person who lives in, works in, or visits Jacksonville Beach. We encourage interested persons to contact any member of the police department with recommendations for improvements in the services we provide.

Patrick K. Dooley
24 Years

Statement of Values

“Working with Citizens for a Safe Community”

Members of the Jacksonville Beach Police Department subscribe to values which we believe are essential to accomplish our mission. Those values, and their meanings, include the following:

COMPASSION

We will be understanding of and sympathetic to the needs of all our citizens.

DEPENDABILITY

Our words and deeds can be relied upon to meet the highest law enforcement standards. We will always do what we say we will do.

HIGH MORAL CHARACTER

Our actions, both on and off duty, will demonstrate honesty and decency at all times.

INITIATIVE

We will continually seek new and better ways to serve our citizens.

INTEGRITY

We will hold ourselves, both individually and collectively, accountable to our citizens.

PROFESSIONALISM

A key value that expresses our determination to achieve the highest standards demanded in order to earn public trust.

SELF-IMPROVEMENT

Each member of the department is a work in progress. Every statement we make, every action we take, will reflect our efforts to improve ourselves; to be a shining example of the best that law enforcement has to offer.

Program Responsibilities

Nine sworn law enforcement officers, a sergeant, a corporal, and seven patrol officers comprise the Downtown Community Assisted Policing Effort (Downtown C.A.P.E.). Officers assigned to the Downtown C.A.P.E. Unit actively patrol the downtown area on foot, on Segway's, in marked patrol vehicles, SUVs, and ATVs. They maintain close contact with business owners and residents to help find solutions to crime problems that affect the quality of life for residents, businesses, and visitors.

The officers have also been educated in the areas of code enforcement and crime prevention that has added greatly to their capabilities. This has given the officers the ability to instruct businesses and residents on methods for taking a proactive role in deterring crime in the community. It has provided the unit with a holistic approach to deterring or preventing crimes and associated issues in the area.

The unit also participated in several events in the community to enhance the public's awareness regarding the unit and its activities. During bicycle rodeos, the officers instructed participants on bicycle safety and the importance of wearing helmets. They also aided in giving young children and their parents a positive contact with law enforcement officers.

This year the unit also proactively taught "Responsible Vending" to several establishments and employees. This program aids in teaching the value of responsible vending and the part establishments play in safe guarding the community against excessive service.

Detective Division

Community Assisted Policing Effort

Pablo Beach, South

The Community Assisted Policing Effort (C.A.P.E.) program was founded in 1991 to address quality-of-life crimes in the Pablo Beach, South, neighborhood. There is one full-time police officer and one part-time Police Community Service Officer assigned to this unit. They provide much-needed assistance to the community, including active patrol, community clean-ups, assistance to the elderly, mentoring the youth, and much more.

Services Division

Animal Control

The Animal Control Program continued heading in a positive direction again this year. ACO Theodore Mandrick has initiated teaching residents and speaking at public meetings about wildlife and other animal control issues. Ted was also able to educate the public on nuisance wildlife and the dangers of feeding and interacting with wild animals. His efforts have increased the health and welfare of the animals in our city while at the same time limiting the exposure of citizens to dangerous animals.

Traffic Warnings **					10254
Parking Citations	2910	3029	2375	2198	2440

*The data appears disproportionate compared to previous years, however improvements were made to the methods in which burglary statistics were obtained. In preceding years, the records management system was not capturing all possible subsections of the burglary statute which caused an underrepresentation of data; therefore, the system was updated to include any omitted subsections. ** For years 2011-2014, the "Traffic Citations" category included both traffic citations and traffic warnings.

Volunteer Programs

The Citizen Police Academy began in 1998 with the goal of making citizens more aware of the role of the police department in their community. During the twelve-week course, students learn about patrol operations, investigations, S.W.A.T., K-9, crime scene processing, and so much more. Through 2015, we have completed 35 classes with a total of **1009** graduates.

Session 34—Graduated on April 9, 2015

Session 35—Graduated on October 1, 2015

Graduates of the Citizen Police Academy are eligible to join the Citizen Police Academy Alumni Association (CPAAA). The CPAAA was formed by graduates in 2000 as a way to volunteer for the police department and help the community. Combined with the Citizens On Patrol (COP), they totaled **12,760.75** hours of volunteer service to the community.

Citizen Police Academy Alumni Association

The CPAAA and its members organized several annual events for the department in 2015. The first event of the year was the 21st Annual Kid's Fishing Rodeo. Once again the event was an overwhelming success. Kids of all ages were able to learn how to fish and participate in numerous activities. The best portion of the event was the interaction between the officers and the children of the community. There were approximately 1250 attendees.

The Halloween Party and Kid's Christmas Party hosted by the CPAAA and the department were some of the best attended events all year. The combined attendance for the events was estimated to be over 2200 in 2015. Mr. And Mrs. Claus were also in attendance taking photographs with the children. 500 candy canes were given away during the event, one to each child that visited Santa.

Citizens On Patrol

Members of the Citizens On Patrol (COP) unit are trained volunteers, selected from the CPAAA, who conduct traffic direction and control, parking enforcement, and proactive patrolling. COP volunteers receive an initial 65 hours of specialized training on patrolling techniques, Florida laws, traffic control, and report writing. COP members volunteered approximately **3,440.25** hours in 2015.

Special Programs

S.W.A.T. Team (Special Weapons and Advanced Tactics)

Police officers assigned to the Special Weapons and Advanced Tactics Team (S.W.A.T.) are selected after completing a mentally and physically challenging process. There must be a unanimous vote by all team members before a new member can be recommended to the S.W.A.T. Commander and Chief of Police for selection. In addition to their regular duties, S.W.A.T. officers must constantly train to maintain their skill level to be able to handle high-level threats and high-stress situations. S.W.A.T. officers also deploy to assist other agencies as a secondary resource in tactical situations that may arise.

Evidence Technician/Traffic Homicide Investigations

Selected members of the department tackle additional duties as evidence technicians or traffic homicide investigators. They utilize specialized training at crime scenes and traffic crashes to collect evidence, take measurements, and use mathematical formulas to ensure thorough and concise investigations.

Special Programs

Honor Guard

The Honor Guard is a highly trained, uniformed group of officers who volunteer their time to honor our fallen heroes. The Honor Guard is responsible for carrying out ceremonial functions involving the police department. These include Color Guard, dedication ceremonies, police funerals, and Police Memorial Week ceremonies. There are currently 14 officers who comprise the Honor Guard. Members come from all divisions of the department.

Honor Guard Members at the Police Memorial Ceremony

K-9

The Jacksonville Beach Police Department has two police service dog teams. The dogs and their handlers are carefully chosen and go through a difficult yet challenging certification process before being deployed for patrol service. The dogs are certified in suspect apprehension and drug detection. Additionally, the police service dog is an exceptional asset during any high-risk operation.

K-9 Officer Pfueffer and his partner Mako

3rd Annual National Night Out

On October 31st, we hosted our 3rd Annual National Night Out event. There were prizes, games, and other activities for children. The event was a combined event with the Kid's Halloween Party. The event highlighted our Bike Safety program, our Downtown CAPE Program, and our Crime Prevention Unit. We fitted and provided 65 helmets to the children who participated in the rodeo. Approximately 75 children participated in the rodeo portion of the event, and it was estimated that approximately 250 children attended the event.

Special Programs

Gang Detective

The juvenile gang detective has the responsibility for conducting truancy sweeps, cleaning up graffiti around the city, and handling gang members. The detective also maintains intelligence files on gang members.

Youth Police Academy

The Youth Police Academy graduated its seventeenth class in 2015. This is a special program targeted at making a connection with the youth of the community. The children go through a shortened version of the Citizen Police Academy and attend on Saturday mornings. Some of the topics covered are Patrol, K-9, Detectives, Defensive Tactics, and S.W.A.T.

Above is Downtown C.A.P.E. Officer Richard Miller going over the C.A.P.E. program with kids from the class.

To the right, Youth Police Academy Class 17.

Retirement

There was one retirement in 2015. Senior Administrative Assistant Randy Greene retired after 23 years of service. During her time with the department she worked under two different Chiefs of Police. She was responsible for numerous activities and received several accolades throughout her career.

Thank You For Your Service

Accreditation

The Police Department was first accredited by the national Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA) in 1995 and has maintained its accredited status since that time. Each member of the department is responsible for ensuring that policies and procedures are followed. There are over 470 standards the department must meet to remain nationally accredited. The Police Department was named a Flagship Agency by CALEA in the past. During the last accreditation hearing, the agency was once again awarded Meritorious Accreditation status but this time with Excellence.

The award for “Meritorious Accreditation” is recognition for having been accredited for over 15 years. This was our 20th year being an accredited through CALEA as a law enforcement agency. The additional recognition of “Accreditation with Excellence” was awarded after our agency met or exceeded the following criteria:

- Must have a minimum of two previous consecutive CALEA Accreditation awards.
- Must not have conditions or noncompliance issues resulting from the current or last assessment.
- Current assessment must have been conducted under the *CALEA® Gold Standard Assessment* model.
- At the time of the current assessment, the agency must be in compliance with 90 percent of all applicable other-than-mandatory standards.
- Current Assessment Report must have limited file maintenance and not more than two applied discretion issues.
- Must not be operating under any active Federal Consent Decree or Memorandum of Understanding, or state-level complementary action.
- Must not currently be affected by issues that detract from the overall tenets or goals of CALEA Accreditation.
- Must receive a unanimous recommendation of support from the assigned CALEA Review Committee.

The agency received this designation at the awards banquet in November of 2015. The department is due for its next recertification in 2018.
