New Watermain Connections/Outages

Petticoat Schmitt Civil Contractors, Inc. is currently under contract with the COJB (#1617-05) to perform Water, Sewer, Drainage, and Roadway Improvements on a project named “Phase III C Project 2 Infrastructure Improvements” in your neighborhood.

On Monday, August 3rd, 2020 at 1 p.m., PSCC and COJB Public Works will be shutting off the water main to the Cost Verano Condominiums Complex to make modifications to the new main. This work will be performed between the hours of 1 pm and 4 pm.

When the water service is restored, you may experience some discolored water and air in your water lines. We ask that you please let the water run a few minutes to clear up the discoloration and release the air. If you have any questions or concerns please contact: Randy Millner, PSCCI Superintendent, at (904) 753-2657 or Jim Vernon, City of Jacksonville Beach Representative, at (904) 813-4272.

We apologize for the inconvenience and will do our best to move as quickly as possible.
